## REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art made of record fails to disclose or suggest a battery charger and its method for controlling the charging of a battery having, *inter alia*, a step of coupling a supply voltage of a charging control logic to a ground, step of generating an active low first control signal, step of inverting said active low first control signal, and step of charging said battery at a first rate in response to receiving said inverted first control signal, when said battery voltage is below a threshold voltage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to the Examiner at the below-listed number.

Any inquiry of a general nature or relating to the status of this application should be directed to the receptionist whose telephone number is 571 272 2800, Monday-Friday, 8:30am to 5:00pm, EST.
